Job Duties and Responsibilities

- Arrive on site prepared for work with the tools necessary to complete required tasks
- Drive work truck to conduct deliveries and garbage runs
- Move/load/unload various materials
- General housekeeping including maintaining a tidy and orderly job site
- Assist carpenters and sub-trades to complete site tasks
- Set up/removal of protection material for finished work (i.e. laying Ram Board, laying drop sheets, setting up poly walls, etc.)
- Keep orderly records of truck mileage, job receipts and accurate timesheets
- Various other tasks as required

Skills and Competencies

- Ability to transfer information into action
- Ability to multi task
- Ability to act quickly with patience in high pressure situations
- Ability to work well independently as well as in a team environment
- Must be empathetic and genuine
- Highly organized individual and great team player
- Strong problem solving/communication skills
- Strong customer orientation
- Strong communication skills and the ability to communicate effectively with your peers, Site Superintendent, and other trades onsite
- Present oneself as professional, innovative, creative, and a self-starter
- Foster a positive and professional work environment onsite with trades, coworkers and clients

Job Benefits

- We offer extended medical/dental benefits and competitive wages
